GIFT LIVING IS MY  
LOVE LANGUAGE...

## SHOP LIKE A LOCAL THIS HOLIDAY SEASON

---

**Ever since I was little**, I've always found immense joy in gift giving. Throughout the year, I think of unique and highly personalized gifts that will afford someone special in my life a "surprise-and-delight moment".

I've spent countless hours of my life thinking about how to show someone how special they are to me by the gifts I give them... And in the process, it fill my cup - a selfish activity, really!

As I get older, the priority in my gift giving as shifted away from material things to collective, shared experiences - quality time, if you will. I do, however, always aim to shop local and small - and the many talented Vermont makers make realizing this goal easy.

In this Vermont holiday gift guide, you'll see a highly curated list, specific to the holiday season in 2024, with many of my personal favorite Vermont brands and products reflected. I also included adventures and activities - whether with a child or partner - that will afford your loved one with perhaps the best gift of all: presence and new life experiences collected, together. Happy gifting and thank YOU for supporting small!

# WHY SHOP SMALL IN VERMONT THIS HOLIDAY SEASON?

**Do your part to help Vermont small businesses thrive...**

It is the acts of shopping small that put local kids through sports and art classes, help families pay their winter electric and heating bills, and save for shared life experiences and the joy of travel!

**STRENGTHEN THE LOCAL ECONOMY & COMMUNITY IN WHICH YOU LIVE**

**LESSEN YOUR ENVIRONMENTAL IMPACT**

**SUPPORT A NEIGHBOR'S DREAM**

**FIND TRULY UNIQUE GIFTS YOU CAN'T FIND ELSEWHERE**

**HELP CREATE MORE LOCAL JOBS**

**ENJOY BETTER CUSTOMER SERVICE FROM A LOCAL**

# GIFTS THAT BARELY COST A PENNY

Gifting to someone you care about doesn't have to be expensive... In fact, it doesn't have to cost anything at all. Here are some ideas of (nearly) cost-free gifts to enjoy giving in Vermont.

## A CAR WASH & DETAILING

After Vermont's winter and mud season, roll up your sleeves and gift a thorough car wash and detailing to a loved one!

## GET OUTSIDE & HIKE VERMONT

Vermont has so many trails to explore in any season that cost absolutely nothing to enjoy. Plan a hike!

## DIVIDE UP YOUR HOUSEPLANTS

Have plants around the house? Divide them and plant them in leftover mason jars - spray paint them for a creative touch.

## WRITE A MEANINGFUL LETTER OR RECORD A VIDEO

Sometimes the most meaningful gift is you expressing how you truly feel and by saying thank you.

## MAKE A JAR OF AFFIRMATIONS, JOKES & POSITIVE VIBES

Everyone needs a pick-me-up every once in awhile. Fill a jar with smiles in the form of kind words and laughs.

## OFFER TO BABYSIT

What parent wouldn't take someone up on a few hours of alone time or a date night?

## VOLUNTEER YOUR TIME

Whether for a nonprofit they love or around their house, offer your time however they want to spend it.

## HOST A MOVIE NIGHT

Pick out a favorite movie, make some popcorn, grab some candy, and have a fully present movie night at home.

## TRY GEOCHACING

It doesn't cost anything and is a great way to get out in nature and discover a new shared hobby.

## MAKE A BOOK OF FAMILY RECIPES

Pass along tried and true, favorite family recipes in a gift that will keep the memories flowing for years to come.

## PLAN A ROAD TRIP

With no destination in mind, gather some road trip snacks and hit the road with a curated playlist, stopping anywhere of interest along the way.

## PRINT A FAVORITE PHOTO

Capture someone with a huge smile or on a particularly memorable day? Print it out or make a custom frame for it.

## BAKE YOUR FAVORITE TREAT

Who wouldn't want a banana bread or Bundt cake homemade with love and care?

## ENJOY A FREE LOCAL EVENT

Every year, Vermont communities put on free events. Pick one and plan a date!
